

Site Supervisor Safety Training Scheme (SSSTS)

CITB Site Safety Plus (2 Day)

This course is for you if you're considering, or already have, supervisory responsibilities.

Overview

It is endorsed by the United Kingdom Contractors Group (UKCG) and Build UK as the standard training for all supervisors working on their sites and provides an understanding of health, safety, welfare and environmental issues. It highlights legal responsibilities and the need to promote health and safety to supervise effectively.

At the end of the course you will have an understanding of:

- Health and safety law and how it applies to supervisors
- Your supervisory responsibilities in controlling site safety
- Risk assessments and the need for method statements
- Effective site inductions, toolbox talks and method statement briefings
- Monitoring site activities effectively
- Timely intervention when bad practice is identified

Certification for this course is valid for 5 years.

To remain certified in this area, you will need to take a refresher course before the expiry date on your certificate, otherwise the full course will need to be retaken.
